- J. F. Lehmanns Buchhandlung,

T<sub>E</sub>Xies outside of Germany should contact their local T<sub>E</sub>X user groups to save handling charges by combining orders.

For every soft toy sold, 3 marks are transferred to the *T<sub>E</sub>X Merchandising Fund*. This fund serves for financing further articles to be merchandised, and encouraging T<sub>E</sub>X projects and user groups all over the world. It is administered by DANTE e.V.
