

Introductory

- 201 *Jérémy Just* / On-demand production of T_EX DVDs: first feedback
- production of DVDs on request from <https://tug.org/dvd>
- 189 *Jeffrey Kuan* / Legal and cultural landscape of mathematics accessibility in the United States: 2024
- historical and current state of legal accessibility requirements
- 253 *Rishikesan T, Apu V, Rajagopal CV, Radhakrishnan CV* / Navigating common challenges in manuscript submission: Insights for authors and publishers using Elsarticle and CAS packages
- features and benefits of using standard publisher classes, with Elsevier as the case study
- 271 *Boris Veytsman* / Packaging Arsenal fonts for (X_Y/Lua)L^AT_EX
- discussion and examples of this award-winning Ukrainian font

Intermediate

- 179 *Changxu Duan* / Bridging scientific publication accessibility: L^AT_EX–markup–PDF–alignment
- using color-based alignment, L^AT_EX Rainbow, and other tools to create accessible PDFs
- 196 *Mitchell Gerrard* / Holon programming regained
- unearthing the predecessor(s) of Knuth’s WEB system of literate programming
- 246 *Michal Hoftich* / Web page to PDF conversion with Rmodepdf: Leveraging LuaL^AT_EX for reader-friendly documents
- responsive design in L^AT_EX for e-books: font size, line length, fully automated line breaking, and more
- 240 *L^AT_EX Project Team* / L^AT_EX news, issue 39, June 2024
- tagged PDF news; mark enhancements; `xtemplate` in format; many fixes
- 174 *Simon Pfahler* / Easy colorblind-safe typesetting: General guidelines and a helpful L^AT_EX package
- examples of bad and good color schemes, rules to follow, and the `colorblind` package
- 185 *Norbert Preining* / T_EX (Live) and accessibility at arXiv
- using T_EX on the arXiv corpus of millions of documents; accessibility improvements via HTML
- 193 *Boris Veytsman* / Extending Peter Flynn’s `bookshelf` package for multilanguage libraries
- using many fonts supporting many languages in one document

Intermediate Plus

- 274 *Abdelouahad Bayar* / `dynMath`: Underlying principles of the design
- interaction of L^AT_EX and PostScript Type 3 fonts; calculation of parameters for dynamic sizing
- 234 *Antoine Bossard* / A short note on typesetting Latin verse scansion with L^AT_EX and LuaL^AT_EX
- handling diacritical marks of prosody in Latin verse
- 237 *Frank Mittelbach, Ulrike Fischer* / L^AT_EX Tagged PDF project progress report for summer 2024
- discussion of PDF vs. HTML, large examples, math tagging status
- 203 *Martin Ruckert* / Profiling T_EX input files
- speeding up TeX macros by finding most-used source lines, call graphs, etc.
- 268 *Ondřej Sojka* / Expanding hyphenation patterns across Slavic languages
- converting public word lists to speech and IPA for cross-language hyphenation
- 221 *Didier Verna* / A large-scale format compliance checker for T_EX Font Metrics
- a TFM reader, the Common Lisp condition system for exceptions, and validating T_EX Live fonts
- 264 *Andrew G. Watters* / Full spectrum litigator: A T_EX-themed workflow for a small litigation law firm
- using the LAMP stack plus T_EX for document workflow in a law firm

Advanced

- 257 *Jean-Michel Hufflen* / Making BachoT_EX proceedings — extended version
- autogenerating tables of contents and more using Scheme, Ruby, `make`, etc.
- 227 *Marei Peischl, Marcel Krüger, Oliver Kopp* / Creation of L^AT_EX documents using a cloud-based pipeline
- using build servers with automated pipelines, on GitHub, GitLab, and ForgeJo
- 211 *Vít Starý Novotný* / Markdown themes in practice
- tailor presentations of YAML and Markdown, with examples in cross-format `exp13`

Reports and notices

- 166 TUG 2024 conference information
- 167 TUG 2024 conference program
- 168 *Mitchell Gerrard* / TUG 2024 in Prague
- 172 *Klaus HÖppner* / TUG 2024 Annual General Meeting notes
- 173 Institutional members
- 283 TUG 2024 abstracts (Fowler, Goulet, Hàn Thế Thành, Lang, Mittelbach, Obbels, Ruckert, samcarter, Snapp, Tiessen, Vaněk, Verna, Wright)
- 285 From other T_EX journals: *Die T_EXnische Komödie* 2/2024; *La Lettre GUTenberg* 52 (2024); *MAPS* 53–54 (2023–2024)
- 288 *Jim Hefferon* / TUG bursary committee report for 2024
- 289 T_EX consulting and production services
- 290 *John Atkinson* / Comics: Disaster area; Fontains
- 291 TUG 2024 sponsors: Overleaf; STM Document Engineering Pvt Ltd
- 292 Calendar
